RE: OEM Sales Agreement

Ack Technologies, Inc. agrees to provide our products to your firm under the following terms and conditions:

1. All products provided will be used only for installation in new production aircraft or aircraft kits manufactured by you, or for retrofit to existing aircraft or aircraft kits which were manufactured by you.
2. No products provided by us will be resold to dealers, distributors, or the general public for any purpose except for the exclusive use in, or in support of, aircraft or aircraft kits manufactured by you.

The undersigned hereby agree to the above Ack Technologies, Inc. OEM sales agreement terms and conditions.
