*To ACK Technologies Inc. Customers*

*Re: Repair Station and Drug and Alcohol testing status.*

*ACK Technologies Rebuilds or Tests TSO Approved products manufactured by us and returns them to service under the authority of FAR 43.7(d). We do not repair or overhaul aircraft parts or appliances which not manufactured by us and are not required to hold a Repair Station certificate.*

*As an FAA TSO manufacturer we are not required to have a Drug and Alcohol testing program.*

*Sincerely,*

*Mike Akatiff  
President*
